### Notice Regarding Acquisition of Shares of Dohken Co., Ltd. (to Make It a Subsidiary)

Neturen Co., Ltd. (hereinafter, “Neturen”) hereby announces that it has resolved, at a meeting of the Board of Directors held on April 4, 2025, to acquire shares of Dohken Co., Ltd. (hereinafter, “Dohken”) and make it a subsidiary of Neturen (hereinafter, “the Transaction”), as described below.

#### 1. Reason for acquisition of shares

Neturen and its group (hereinafter, “Neturen Group”) has long-term management plan "NETUREN VISION 2030: Evolution and Breakthrough", drew up in 2021, aiming to contribute to a sustainable society and enhance corporate value. As part of the second phase, Neturen Group is working on the 16th Mid-Term Management Plan formulated focusing on “Create New Drivers to Grow”, “Generate Growth Engines”, “Expand Market Globally”, and “Develop Employees with Self-motivation at work”.

Dohken manufactures and sells high-quality precast concrete products that are supplied as components mainly for high-rise buildings.

In the future, the construction industry is expected to face further labor shortages and an aging workforce, Neturen Group believes that demand for precast concrete products will increase in terms of shortening of construction period and quality control management at construction sites.

Since Dohken's products are in the same supply chain as Neturen's high-strength steel products, Neturen and Dohken aim to improve production efficiency and develop new products through collaboration. Neturen Group continuously aims to further enhance its corporate value with new group member, Dohken.
