Information of Exhibition

~EUROBLECH2018~

NETUREN will be participating in the 「EUROBLECH2018」 in Hanover Messe, Germany, Oct. 23(Tue) to 26(Fri), 2018.

We are going to introduce our latest heating technology (included a partial heating) for thin steel plates both rectangular and non-rectangular by the direct resistance heating (DH) in this exhibition. We are looking forward to having you.
